

# Safety Rules

177 County Road 22, P.O. Box 622, Morris, MN 56267  
info@stevenscountyfair.org | www.stevenscountyfair.org

These safety rules are to help keep you safe. You may add to these required rules to keep yourself safer.

1. Heavy window screen with 2"x2" maximum hole size is required on the front windshield opening. Minimum of four 3/8" metal bars to support the screen. Driver's side window must have a racing net with quick release.
2. **FULL FACE DOT APPROVED HELMET MANDATORY** with full-face shield. Removal of eye protection face shield at any time during the race results in a black flag.
3. 4 point minimum racing harness required. Must be held in place with 7/16" grade 5 bolts and adequate washers. Inspection committee must consider belts safe or you won't race.
4. Seat and floor panels must be solid and secure. Racing seats may be used. (fiberglass seats must have adequate reinforcing structure behind it) No passengers allowed in the race car.
5. Full 6 point roll cage made of 1 5/8" heavy gauge pipe, no square tubing, exhaust pipe or pipe fittings. Cage must remain completely within the passenger compartment. Both driver's side and passenger's side must have 3 bars in the horizontal position to reinforce the door. (See illustration # 1) Rear hoop must have X brace (See illustration # 1 A) Front hoop must have horizontal pipe above and below the windshield (See illustration # 1B) Top or roof area of the cage must have one brace across the opening. Rear braces must extend from the top of the cage 3" ahead of the top of the arch in the frame above the rear axle. (See illustration # 4) All joints and mountings must be welded securely.
6. The roll cage must be welded to the FRAME of the car, not just the floor. If the car has no frame under the roll cage area, you must build the floor to hold the cage.
7. Transmission cooler, if used, must be in front of the radiator. Only one radiator in stock position, no electric fans.
8. A fire extinguisher is required in each pit area, optional in cars.
9. Absolutely no alcoholic beverages in the pit area and **clean your pit area at the end of the race or your winnings may be held back.**
10. No wireless communication allowed during the race.
11. **These rules will be enforced as interpreted by the officials, NOT the drivers. If it's not right, you won't race.**
12. If your seatbelts and helmet are old it is recommended to upgrade.

**If you have questions - Please contact: Randy Kramer @ 320-589-3113**

These rules were written to help protect you and the sport of enduro racing. Please abide by them. If you have any questions, please call. The rules will be enforced in the best way possible. Please be sure to read them carefully and work with us to make this a fun and successful season of racing.
