

Small Car Rules

177 County Road 22, P.O. Box 622, Morris, MN 56267
info@stevenscountyfair.org | www.stevenscountyfair.org

All drivers must be 16 or older with a valid driver's license and consent from a guardian if under the age of 18. No one will be allowed in the pits under 14 years old. All passengers must have the same safety equipment as the driver or you will not be allowed to ride passengers.

1. Any 4 or 6 cylinder car or minivan with a completely stock body, frame and suspension can participate in the small car Enduro Race. No bracing anywhere except inside the driver's compartment with approved roll bars and door posts. Dash can be removed or can remain in the car. Pedals and steering column must remain stock for the make and model of the vehicle. All insulation under the hood must be removed.
2. Motor, transmission, carburetor/fuel injection system for the make and model of the vehicle **MUST** be completely **STOCK**. NO modifications allowed. NO air induction devices allowed. Air cleaner must remain in its original stock position and completely intact.
4. BATTERY should remain under the hood unless mounted **securely** elsewhere in a full metal box. Must be wrapped in rubber to prevent arching.
5. TIRES: Passenger tires only. Wheels and tires must be of similar size and width. No low profile or 60 series tires. **NO RACING RIMS OR TIRES ALLOWED!**
6. Stock unaltered REAR END for the make and model of vehicle.
7. GAS TANK: Leave gas tank in stock location.
8. ROLL BARS: At least four point roll cage (.095 x 1.63 steel tubing) mandatory with mounting plates on each end welded and or bolted to the floor pan. If bolted, use at least four ½ inch bolts on each plate. Roll bars must be located directly behind the driver and reach as close to the roof and as far left of the car as possible.
9. All doors must be welded or chained shut. Driver's side door must have a door plate. (¼ x 12 inch) plate bolted or welded from rear of front fender to front of rear fender. If the driver's door comes open during the race, you will be **DISQUALIFIED**.
10. HELMETS: Must have a full-face helmet with eye protection. SEATS AND SEAT BELTS: May use a stock seat and stock belts if you have 2 lap belts. Or you may use a racing seat and racing belts as long as they are secured to the floor.
11. WINDSHIELD: Must remove windshield and have 3 braces over windshield covered completely in mesh. All other glass must be removed including headlights, taillights, and outside mirror assemblies. Absolutely no broken glass allowed in the car. Window nets are mandatory!
12. The car's interior must be completely gutted except for the seat and dash.
13. BUMPERS must be chained down or reinforced to keep them from coming off during the race. HOOD must be held down with hood pins. **NO CHAINS!**
14. Mascots, decorations, advertising nicknames, cartoons, etc are encouraged but must be secured so they do not come off during the race.
15. No suggestive language, or symbols allowed on the car. Any car in bad taste will be disqualified. Please keep it clean and appropriate.!!!
16. Your vehicle number should be painted on both sides of the car in contrasting colors at least 18 inches high and 5 inches wide. Must have a number plate on the roof of the car but not mandatory.
17. No 2 way radios allowed.

18. No mirrors or glass in the car.
19. You may have a passenger in your car but they must have all the same safety equipment as the driver does. Along with door bars and a plate over the door as well as helmet, seat and safety belts. Remember too, if the passenger door comes open during the race, you will be disqualified.

If you have questions - Please contact: Randy Kramer @ 320-589-3113

If it doesn't say it in the rules or you are unclear about something, please call. If the committee feels that something isn't safe or fair, you will not be allowed to race. This type of racing is supposed to be FUN. If you can't have fun and be a good sport, don't show up and ruin it for the rest of us. Thank you and hope to see you at the track!!
